MASSENA — The St. Lawrence County Chamber of Commerce, Massena Public Library, Rotary Club of Massena, National Aluminum Production Heritage Association, and Celine Philibert Cultural Centre & Museum are hosting events through April 27 in celebration of Springtime in the Community.

“It is wonderful to have these organizations come together in Massena to celebrate this season. These organizations are critical parts of the character and quality of life of the Massena community,” said Ben Dixon, Executive Director of the Chamber. “It is the goal of the Chamber and its Massena Ambassadors to grow an annual, community-wide ‘Spring Fever Festival’ in Massena, and just as we get a preview of spring in the North Country, so do we get a preview of that festival with these essential organizations.”

The Massena Public Library is featuring the following remaining events:

- Kids Pottery Painting with Converging Line, Thursday, April 24th from 3-4:30 pm
- Hydro Dipped Eggs for Kids 5 and up with Kris a Lis Design, Friday, April 25th from 2-3 pm (Join artist Kris Rozelle of Kris a Lis Design as she teaches participants how to create marbled Easter eggs using hydro-dipping techniques and acrylic nail polish.)
- Spring Garden Table Runner sewing class, Saturday, April 26th from 9:30am-12:30 pm

Those wishing to participate in these events should register with the library by calling 315-769-9914.

The National Aluminum Production Heritage Association has a display on the history of aluminum produced locally in the Town of Massena at the Celine Philibert Cultural Centre & Museum. For hours and more information, contact the Museum at (315) 769-8571.

The Rotary Club of Massena is holding a “scavenger hunt” in which community members are invited to search for answers to questions about the club and take pictures with each one. Completed answers emailed to [rotary.massena@gmail.com](mailto:rotary.massena@gmail.com) will be entered into a drawing for a prize basket.
